software freedom day 09

sunday september 20th 2009, wgtm, nz
9am-5pm, Wellington Town Hall and Michael Fowler Centre

a FREE event for all, celebrating
free and open source software!

Something for EVERYONE!

Meet New Zealand's Free and Open Source Software contributors and find out how YOU can help, at the HACKFEST!

Hear about the newest technologies in Free and Open Source Software at our TECH TALKS!

Love to CRAFT things with your HANDS? Get off the computer and check out our MAKER SPACE of inventions and crafts!

We have rooms where BARCAMP DISCUSSIONS will be taking place on all kinds of things, FREE to attend and take part in!

LINUX? We got heaps of it! Try out different flavours of Linux and other Free and Open Source OSs for YOU to take home and use!

Linux Users will help YOU to install and configure Linux on your very own computer at our LINUX USER GROUP INSTALLFEST!

KIDS! Ever wanted to make your own computer game? Come learn SCRATCH, an easy way to make fun computer stuff. Parents too!

PARENTS: There'll be some computers available but if you can equip your kids with a laptop each with Scratch inst'd, please do. Site has more info.

Kids and Students: EXPERIMENT with our XO's the famous OLPC green laptops being donated to kids around the world!

KIDS and PARENTS Learn about COMPUTER PROGRAMMING in a talk by NAT TORKINGTON of O'REILLY PUBLISHING

Secondary School Students can WIN a NETBOOK thanks to Ascent, and Tertiary Students can WIN a TICKET to LinuxConf 2010 here in Wellington! more details on the site

ALL 100% FREE! (AS IN COFFEE!) also there's ACTUAL free coffee and hot chocolate all day!
